Dear Second Grade Parents,

Hope the start of this summer break is going well. This summer your child will be entering the Second Grade having completed the following reading assignment. I chose a book that I believe will interest their age. Below is a picture of the book, along with its title and author. I have also attached the assignment for you. This must be turned into me no later than the end of the first week of class. Students must also complete any skills in IXL, that Mrs. Arroyave assigned for them during the summer.

Title: Junie B. Jones and a Little Monkey Business

Author: Barbara Park

You have any questions about the assignment, please send me a note at second@good-shepherd-school.org and I will respond as soon as I can.

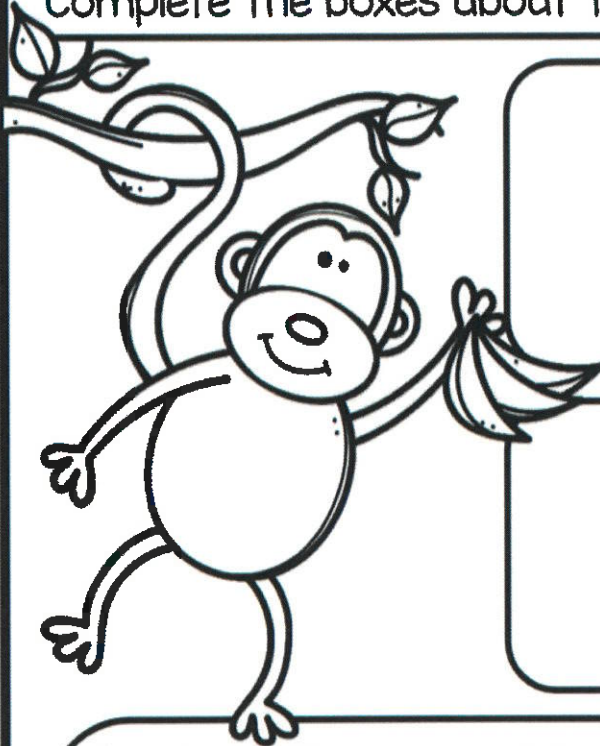

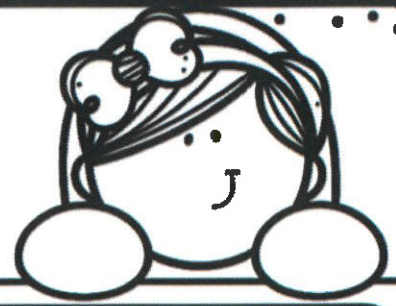

Sincerely,

Mrs. Barzaga
Second Grade Teacher
